

3,023 parks.  
Serving 10 million people.  
Every day.

Vote **YES** on **Measure A** for Safe, Clean neighborhood parks, open spaces and beaches.

# The Facts on Measure A

**Measure A:** the Safe, Clean Neighborhood Parks, Open Space, Local Beaches, Rivers, and Water Conservation Protection Measure provides necessary safety repairs and upgrades for parks, beaches and recreational areas in every section of Los Angeles County to keep our kids, seniors and all residents safe. The ongoing lack of funding for parks has meant staff are unable to upgrade outdated and unsafe playground equipment, recreation centers, senior centers, drinking water fountains and restrooms.

- **Measure A** will replace expiring voter-approved local funding for safe, clean neighborhood parks.
- **Measure A** provides safe places to play and participate in after-school and anti-gang programs in neighborhood parks—which receive over 41 million visits by kids each year, helping keep them out of trouble.
- **Measure A** helps protect undeveloped natural areas so future generations can enjoy them. Most remaining local undeveloped natural areas are near creeks and lakes.
- **Measure A** funds water conservation efforts which will reduce waste, save money AND help protect our drinking water supplies.

Our parks, beaches and open spaces are an essential part of what makes our communities special. That's why a broad coalition of

local community organizations, children's advocates, educators, advocates for seniors, law enforcement leaders, elected leaders, business, union and environmental leaders have come together to pass Measure A.

**Los Angeles Times**

Editorial; October 8, 2016

**To thrive, people need space to breathe, walk and play. Vote yes on Measure A for parks**

"it is carefully crafted and a responsible successor to the expired and expiring taxes. The Times urges voters to say yes....Measure A would be good for the county, its people and its quality of life. It deserves a 'yes' vote."

**Vote your entire ballot! Measure A is on Page 7.**
